MEETING ITEM	SPEAKER	DISCUSSION	ACTION ITEMS
Welcome, Introductions	Karla Birkholz, MD	Dr. Birkholz welcomed all the participants to the meeting. Introductions were held around the room.	
ISG-Quality Improvement Clinical Committee Review		The Advisory Group was provided with background on the ISG QI Clinical Committee (meeting minutes, screening tool document, participants, status report) to help facilitate communication between the two ISG subcommittees. As the IS Grant goes into its second year, sharing information across subcommittees, for possible collaboration on projects and resources, has been initiated.	*ISG Parent Action Council subcommittee involvement is also recommended *Adolescent Health Group to brainstorm on how to get youth involved in their group and ISG subcommittees at their next regularly scheduled meeting (7-11-06)

Recommending a Written Screening Tool for Adolescent	Group Discussion	Took place regarding the recommendation of a screening tool to the ISG QI Clinical Committee.	*Adolescent Health Group recommended that the QI Clinical Committee review the GAPS (Guidance for Adolescent Preventative Services) Questionnaire *Adolescent Health Advisory Group has been invited to participate in the 7-18-06 ISG QI Clinical Committee Meeting *AMA collaboration (adolescent screening tool developed 15 years ago needs updating on substance abuse)
Review Committee Status Update Report (Adolescent Health)	Group	Reviewed the ISG-Adolescent Health Community Advisory Group's "Committee Status Report to the Task Force." No changes were made.	*ISG-Adolescent Health Community Advisory Group's May 2006 Status Report to the ISG Task Force was reviewed with no changes at this time.

Defining Purpose of Adolescent Health Advisory Group / Discuss Potential Projects	Group Discussion	The group moved onto a brainstorming session evolving around what the group would like to accomplish. There was also discussion on potential grant opportunities for the group.	<p>*Purpose briefly defined as adolescent coordination of care and adolescent transition of care.</p> <p><i>Concerns noted:</i></p> <ul style="list-style-type: none"> *Access to healthcare for adolescents *Limited manpower *Determine what project to develop and collaborate with partnering agencies and organizations *Evaluate collectively *Incarcerated youth not entitled to Title 19 or Title 21. Doctors are reluctant to prearrange appointments for released youth *Do probation officers have medical background? Are they proactive? *HIPAA compliance (ADJC and ADC can review records as long as there is a health professional along with parole/probation officers. Cannot have copies *Group involvement in training activities
Dinner Meeting Scheduled		The Advisory Group decided to have an outside dinner meeting on June 21, 2006 at the Spaghetti Factory to further discuss grant opportunities.	
Next Regularly Scheduled Meeting		July 11, 2006 5:30pm – 7:30pm ADHS Bldg., Room 345A	*Possibility of changing location to a restaurant
